## Support the Anthony Di Norcia Jr. Foundation

Driving Awareness. Supporting Early Detection. Honoring Tony's Legacy. Tony Di Norcia Jr. was more than a car enthusiast – he was a beloved family member, friend, and community member who courageously battled Neuroendocrine Prostate Cancer. In his honor, we are committed to spreading awareness, supporting early detection, and providing information that can help save lives. Prostate cancer affects 1 in 8 men. Early detection dramatically increases treatment options and survival rates.

### Your donation directly supports:

- Community awareness initiatives
  - Educational outreach efforts
  - Early detection advocacy
- Support for families impacted by prostate cancer

### Make an Impact Today

Please scan the QR code below to make a donation of any amount.

Every contribution – large or small – helps us further our mission and expand our impact within the Naples community and beyond.
